Re: Freedom of Information Request Number FOI-HQ-2013-003389

Dear Ms. Lanham:

This letter is in response to your request dated February 5, 2013, under the Freedom of Information Act (FOIA). You requested copies of records related to the SAB Panel Review of EPA's Draft Toxicological Review of Libby Amphibole Asbestos. We are delivering copies of records from December 7, 2012, through February 5, 2013.

The Chartered Science Advisory Board (SAB) has identified 142 records responsive to your request. Of these documents, none were withheld in accordance with Exemption 5 under 5 U.S.C. § 552 (b)(5), which allows an agency to withhold from disclosure inter-agency memoranda, e-mails, or letter of the deliberative process, and none were withheld under Exemption 6 of the FOIA, 5 U.S.C. § 552 (b)(6) which contain information (e-mails addresses and phone number and home addresses) that would represent an unwarranted invasion of privacy. Please find enclosed a CD which contains the requested information.

If you believe that the delivery of this FOIA is a denial of your request, you may appeal in writing to the National Freedom of Information Officer at:

Records, FOIA, and Privacy Branch

1200 Pennsylvania Avenue, N.W.

Your appeal must be submitted no later than 30 calendar days from the date of this letter. The appeal letter should include the request number listed above. The Agency will not consider appeals received after the 30 calendar-day limit. For the quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."
